## **Treatment Summary**

To support you with your continued medical care, we have created a summary of the cancer treatment provided to you. If you are reviewing a printed copy of the treatment summary, there may have been updates since the document was last printed. If you are reviewing the treatment summary through SCC Patient Portal, the detail represents treatment delivered to date through this institution.

This information is provided for information purposes only and may be an incomplete reflection of diagnosis and treatment information. Treatment decisions should not be made based upon this information.
